(1) whether the R.A. members
who are entitled to attend
the Bd Board meetings to
assist the Bd Board in
disposing of the leasehold subjects
under order dated 13.3.22 H.2
are entitled to Rail &
(2) if so, from what

since it will not be fair to

since the members of the

that an arrangement under which Local Boards invite members of D.R.A. to their meetings and Govt. pay ~~their~~ the travelling allowances of such members is scarcely satisfactory and is likely to land Govt. in very heavy expenditure.

20. Having no expenditure whatever to incur in the matter Local Bds will naturally ask every member who has sent up a local subject to be present at the meeting at which the subject is to be considered. They are not interested in considering whether the presence of such members is necessary: In fact under the order as it stands now Local Bds. have no option in the matter. Therefore requires the Dept. Comr. to classify local subjects and send them to the Local Boards. Then Quote the words of the order, the

the President of the Local Boards will invite the Members of the Representative Assembly by whom the Subjects were brought forward to be present at the Meeting." The use of the word 'will' seems to make the invitation compulsory and not optional on the part of the Local Boards. The question of making the invitation optional by the substitution of the word may for will appears to be worthy of consideration. If this change is made and the issue of invitations be pursued is left to the discretion of the President, the chances are that not many members of the R. A. will be asked to be present at Local Bd meetings and the cost of their t. a. will be considerably reduced. Otherwise, it is difficult to say what amount of money should be provided to meet this item of expenditure. It is possible that about Rs. 100 000 may be required.

The President D.L.B.D. suggested in his letter No. D/ 30.10.24, wanted to know, if members of the Reps Assembly who mooted local subjects at the preliminary meeting held at the D.B. Headquarters for the selection of subjects &c, & who have been invited to be present at the meeting of the D.L.B. held for the consideration of local subjects referred to them for opinion, were entitled to travelling allowance for attending the D.L.B. meetings held for the above purpose.

Para 42 of the Office Note (Page 3 ante)

95 It was decided that they were entitled to T.A., that with regard to the source from which the charge is to be met the 1st Member of Council was of opinion, that they should be paid from the same source from which the Members are paid (ie from State funds). While the Financial Secretary contended that as the discussion of the local subjects falling within the province of the work of the local bodies, the connected expenditure should be borne by them. The first Member disagreed with the Financial Secretary, as it was non-members attended meetings of the Board under orders of Govt & therefore D.L.B.s are not bound to pay them T.A. The Dewan agreed with the first Member (on the ground that it was a charge on the State Funds)

N.B.—Should routine notes be written on small slips, the notes must be copied, or slips pasted on this form.

With the provincialization of work of local bodies, the connected expenditure should be borne by such bodies and not by Govt. The first Member of Govt from the Finance Dept expressed the opinion that the obligation to pay Members to meetings of Local Bds was an obligation that must rest upon them by Govt in their order & that to ask them to bear the cost also would be illegal. Hon. Dewan agreed with the first Member & there the matter rests.

Sent 108 Qu. a question being raised as to what expenditure Govt would have to incur under the above order, it was pointed by me that it would be difficult to make an estimate. Actually it is about Rs. 3,000 at present. But if the No. of local subjects sent up by R. A. Members should increase and larger number of them invited to attend meetings of Local Boards, the cost may easily go up to Rs. 10,000

of more. This tendency of the cost to increase can be considerably controlled by making the attendance of R.A. members at Local Board meetings discretionary and not statutory.

As para 3 of the G.O. of March 1924 reads, Govt. can have to ask these members to be present at their Boards whether their presence is necessary or not. But by changing the word 'will' into 'may' and adding the words "if he thinks it necessary". Govt. can give an option to these R.A. members to use their discretion and keep down the cost. And if the cost is not very large, it may not be necessary at all to change the present rate.

It appears to me that neither Govr nor the Dist Board should be charged with D.A. for the attendance of R.A. members at the various local projects. The form of invitation should be such as requested to attend the Convocation. The Members may attend or not as he pleases & at his own cost & then he invited he should be noted in his Case. The D.A. of members rules are fast weakening up local patriotism & are need not be taken the process unless there an instance demand.

State that the District Board are of opinion that the business is really a Govt one, and that the presence of the R.A members at the meetings of the District Board is essential and that cost must be borne by Govt and not by the Dist Bd

It appears from the replies received from the Presidents of District Boards, it is seen that it is only the Presidents of the District Boards of Tumkur, and Chik-Ballapur and the District Board of Kolar are agreeable to the modifications suggested ie they are agreeable to use the R.A members and to pay up the T.A to them out of ~~their~~ the funds, the remaining District Boards & the Presidents are not for the proposed suggestions and their views are as below:

Kadur Dist Bd — As the Board discusses local subjects which should be properly brought to the notice of the R.A, Govt should defray the T.A of such R.A members as are called upon

Attendance of Dist Councillors
Board Members, at meetings of local bodies
for discussion of local topics
is desirable and it
cannot be held that this at-
tendance would in any way pre-
judice the Councillors Members

interested in the development

It is not desirable to consider

Local Subjects proposed by R.A. Members at the District meetings are disposed of by the District Boards or the Municipal Councils concerned.

To facilitate the disposal of such subject it has also been laid down vide para 3 of the G.O. referred to, that the President of the District Board will invite the R.A. members by whom the subjects were brought forward, to be present at the meeting of the Board to assist the Board in coming to a decision.

Question having arisen as to who should bear the cost of T.A. of such R.A. members who attend the District Board meetings for the above mentioned purpose on invitation, the Hirs Member of Council was of opinion that they should be paid from the same source from which R.A. Members are paid (i.e. from State funds) while the Financial Secretary contended that th descussion of the local subjects falling within the province of the work of the local bodies the connected expenditure should be borne by them.

Paras 7 & 9 of the Office Rules. (Pages 3 & 4)

Page 4 para 8 of the Minutes.

The Dewan agreed with the First Member, (in thinking that it was a charge on the State funds.)

Page 5 para 12

The Secretary, R.A. who was then consulted as to the availability of funds stated that there was no provision in the R.A. Budget for meeting this expenditure and pointed out that under the order of 13th March 1924 Local Boards had no option in the matter of inviting the R.A members to District Board meetings as the word 'will' in "he will invite the members of the Rep Assembly by whom the subjects were brought

forward to be present at the meeting in order that they may assist the Board in coming to a decision. seemed to make the invitation compulsory on the part of the Local Boards and suggested that it may be changed to 'may' so as to make the invitation optional.

By carrying out this suggestion the R.A. Secretary thinks that the issue of invitations may be limited and left to the discretion of the President and the cost of T.A. of such invitees may be borne by the District Board.

The Financial Secretary wants orders of the Dewan on the suggestions of the Secretary, R.A.

Sir,

In continuation of my letter No. H.C. 93-24 dated 9th May 1925 in the matter of the proposed grant of Travelling Allowance to Representative Assembly Members for journeys and halts that may be made by them for attending the District Board Meetings to discuss and dispose of local subjects proposed by them, I have the honor to state that the President District Board states in his letter No.4149 dated 21st May 1925 that Mr. A. Narana Iyengar Pleader, Hassan, attended the District Board Meeting on the 6th and 7th September 1924 to dispose of local subjects proposed for discussion at the last Budget and Dasara Sessions. But as he happens to be a resident of Hassan he is not entitled to any Travelling Allowance. The other members who also attended the meeting attended it in the capacity of District Board Members and as such they get their Travelling Allowance in the usual course.

Sir

I am directed to invite your attention to G.O. no. L. 7265-327/L.B. 124-23-1 dated 13.3.24 and G.O. no. L. 2739-75/L.B. 102-25-1 dated 17.10.25 on the disposal of local subjects sent up for consideration by R.A. Members. It will be seen therefrom that the DP Bds or the Municipal Councils to which such subjects are referred for disposal are required to work the R.A. members sending them up to be present at the Meeting at which the subjects are to be considered in accordance with this

invitation
~~Requirement~~, several R.A.
Members have attended the
deliberations of various D.C.
Bds & Municipalities and some
of them having claimed travelling
and waiting allowances, the question
has arisen whether ~~any such~~
such allowances should be
granted to them and if so, from
what source the expenditure is to be met. It is considered that
the ~~duties of the~~ journeys
undertaken by the R.A. Members
in an advantage being to the
interests of the local bodies, the
cost of such journeys should be
borne by the general funds. It
is felt, on the other hand, that the
Compulsory character of the
invitation to be issued by the
local bodies may in some cases
in expenditure ~~beyond~~ which
may not, in all cases, be within
means and which may, in
some cases, be beyond their
means. In these circumstances,
it is proposed to modify the

Ordinance so as to leave it to the discretion of Presidents of DT Bds and municipalities whether to invite a R.A. Member to be present at the meeting of such Bds or Municipalities and, in case a Member is invited, to make the t.a. & d. of such Member a charge on the funds of the DT Bd or Municipality concerned. This will ensure that no R.A Member is invited unless his presence is absolutely necessary and will also make the Local body to control the cost incurred on such Members

Subsequently Government order was passed stating that the Local Bodies concerned are requested to invite the Representative Assembly members by whom the subjects were moved to be present at the meetings of the Local Bodies without making any reference as to how expenses undder Travelling allowance should be met. These subjects should have, as a matter of course, been discussed at the Representative Assembly, had they not been referred to the District Board. Dy commr Hassan

Sir,

With reference to your No.L.3567-76/L.B. 102-25-3, dated 18th November 1925, and subsequent reminders inviting the opinion of this District Board, in the matter of the payment of travelling - and halting allowances to Representative Assembly Members attending the meetings of Local Bodies, during the discussion of Local subjects sent up by such members and referred to the Local Bodies for disposal etc., I have the honor to state that the attendance of these members at these meetings is very essential for a proper and full discussion of the subjects brought by them. Under the reforms newly introduced, the Assembly members who had the opportunity of explaining the situation fully and thoroughly to the Government, and that directly, has been denied to them, and if they are now deprived of the chance of fully representing the details and surrounding circumstances relating to the subject at least to the responsible Local Bodies concerned, the necessary consequence of the reforms will ~~be to~~ have excluded wholesale the consideration and discussion of all local subjects either in the Assembly under the eye of the Government itself or in the Local Boadies whose powers are professed to have been en-

income from rural mohatarfa and with growing demands of a varied nature it would be impossible for the local bodies to bear this additional item of expenditure. This business is purely a Government business transferred to Local Bodies for consideration and discussion, and there is no sort of fair and equitable justification to burden the local bodies with this item of expenditure.

3. The District Board considered this matter at its meeting held on 20th Feby. 26, and recorded a resolution to the same effect. A copyof the same is enclosed.

4. In conclusion I beg to submit that this attitude is liable to shake the confidence of the people in the new reforms and will have the unfortunate tendency to create an impression that steady attempts are being gradually made to substitute the liability of the Local Bodies to that of Government day after day however inequitable it may be.

I have the honor to be,
Sir,
Your most obedient servant,

President,
District Board, Hassan.

It will be seen from the
letters read above that the Dist
Bds or Mt. councils to which
subjects are referred for disposal
are required to invite the members
handing up the same to be present at
the meetings at which they are discussed.
In accordance with this
instruction, several members
of the R.A. have attended the
deliberations of various Dist
Bds & municipalities & some
of them have claimed Travelling
and halting allowances. The
question has arisen whether
the invitation should be
required to be issued
in all cases as a matter
of course.

Travelling Halting

Such allowances should be granted to them and if so from what source the expenditure should be met.

The opinions of the Boards are not uniform. While the Distt Bds of Tumkur, Chitaldrug & Kolar consider that it may be left to the discretion of the Presidents of the Local Bodies concerned to invite the members & to meet their travelling allowances when so invited from Distt Bd funds, the other Bds differ from the above view. The Distt Bds of Kadur, Hassan, and Shimoga consider the presence of the members necessary and that the T. Allowances payable to them should be defrayed by Govt. The Distt Bd of Mysore do not consider the presence of the members necessary and the Bangalore Distt Bd consider that intimation of the meeting may

be sent to the members & those who wish to be present without claiming Travelling allowances may alone attend.

As regards attendance of members at meetings of Vil Cts it is considered that occasions for the same will seldom arise.

On a careful consideration of the question, Govt have come to the conclusion that it should be left to the Dist Boards and Municipalities to decide whether they will or will not invite RA members to be present at the time the subjects sent up by them are discussed and that whenever such invitations are issued the T.A of the members so invited will be a legitimate charge on the funds of the local body concerned.

Under these circumstances for the words "he will invite" occurring in para 3 of the Govt. read above, the

I am directed to say that the Govt have decided that it should be left to the discretion of the Dist Boards & Municipalities to decide whether they will or will not invite RA members to be present at the time the subjects sent up by them are discussed and that whenever such invitations are issued the T.A of the members so invited will be a legitimate charge on the funds of the local body concerned.

If a member wishes to be present on account of his own business, he should do so at his own expense but in the case of the meetings of the Dist Board, he will be paid his T.A. by the Board.
